Dear Chair

1. This serves to acknowledge receipt of your email with draft ratings for April.
2. I will be able to respond to the draft either on Sunday or Monday.
3. Nevertheless, I would like to correct the Juniour Bantam ratings where Moyisi Booï has not been included when we are suppose to include him in the Junior Bantam and remove him in the Flyweight division.
4. Moyisi Booï has gone up the division and already stopped Sihle Jelwana on the 30 April 2025 which according to the ratings criteria Moyisi Booï should be taking no 3 on the ratings, a position that was occupied by Sihle Jelwana on the March ratings.
5. I would also like to propose that JJ Sonjica be included in the Junior Featherweight division as he has a win in March without taking into consideration the last win in the Lerana tournament. Sonjica is a former Champion that was removed because of lack of activity.
6. I would also like to raise the Theo Nxayiphi Matter as we agreed that we are going to correct it on the April ratings and a letter to his manager has already been communicated to him.

Regards, XD
