Good morning Chair

This serves to appreciate receipt of the September Ratings. I am happy with the ratings and I want also to request the consideration of Samkelo Sotomela in the Flyweight division whom I still maintain that he should be rated higher in the division considering his record and also his activity.

I have followed his last fight which was on the 20 September 2024 where he won his fight on a 1st round ko which also necessitated that his ranking be reviewed.

Lastly, I have also noticed that Katlego Khanyisa had a fight that he won in the Junior Light where he won on TKO round 8 which I also believe his rating should be reviewed as he was fighting in the same tournament with Sotomela.

Warm Regards

Regards, Xolile Dike

Hi Xolile,

Agreed. Frank Sotomela has been moved to no 2 flyweight, and KHanytisa is now no 5 junior lightweight.

Regards,

Andre.

to me

Hi Mr Devries,

The 3 new ABU-SADC champions deserve a higher consideration in the ratings.

Phikelelani Khumalo has indicated that he is going to concentrate in the Middleweight division and will likely challenge in that division.

He request that he be ranked at Middleweight.

Mnelisi Ndlovu stopped Arnel Lubisi -higher ranked (who failed to make the weight.). Ntethelelo Magcaba is a blue chip prospect and is showing his true potential.

Regards,

Mike Dube
